Calls for the views of the D C on the resolution of the Municipal Council

Letter no A3 c 47 8/42 43 dated 19-6-43 from the Deputy Comr, Kasaragod - furnishes further report in the matter and recommends in the circumstances stated that the resolution of the municipal council may be favourably considered

The circumstances in which the privilege of electing a non-official President by the Chittagalur Town Municipal Council was taken away in the year 1937 are indicated clearly in the Note flagged R

the Press Note issued at the time also has clearly expressed that the Step taken to abstain an ex officio President and place of the elected President for the said municipal council was entirely in the interest of the town, and that it was only a temporary arrangement. The reasons stated for the non-immediate restoration by Govt was also stated that Govt will be able in a position to restore the privilege to the Municipal Council as soon as circumstances permit.

Non-official President for the Chrishmagalur Town Municipal Council

Continuation Sheet ML File No 5-6 Current No of 42 Page

The D.C. has reported that since the abolishment of the ex-officio president (in place of the elected president) there has been a great deal of dissatisfaction and both the municipal Councillors and the rate payers would not been co-operating as much as one would like. He is of the opinion that the municipal Councillors with a non-official President will be more vigilant and exercise their various functions conscientiously if the privilege of electing their own president is restored to them. The D.C. has accordingly recommended that the resolution of the Municipal Council requesting the privilege having a non-official President may be favourably considered.

Submitted for orders.

Jan 24/1/43

In the circumstances reported by the D.C. I do not see any objection to the privilege of having an elected non-official President may be restored to the Chikkamagalur Town Municipal Council as requested by the said Municipal Council. There is a postpaid Chief Secretary's letter on the file.

The Secretary to the Government

Sir

With reference to your letter No Ll 2099 Ml 56-4-48-7 dated 14th June 1943 requesting me to furnish my opinion on the resolution of the Municipal Council, Chikmagalur regarding the restoration of the privilege of electing non-official president together with a report as to the circumstances under which this privilege was taken away, I have the honour to state as follows:-

As the term of the Municipal Council expired, elections were held and new council was constituted from 1st May 1937 as per Government Order No L 7631/M133-36-4 dated 22/23rd April 1937 and Government Order No L 7929/M133-36 dated 30th April 1937 Pending the election of the non-official president under section 23 (6) of the Town Municipalities Act the Deputy Commissioner, Kadur District, was the president from the date of re-constitution of the council In the mean time, before the election of the President was held, there was a petition by some of the rate-payers and leaders of Chikmagalur town stating that there is party feeling in the council, easy administration soft supervision, non-enforcement of proper rules and regulation and on account of which, the Municipal administration had badly deteriorate and as an experimental measure for at least three years an official president may be appointed for the Chikmagalur Municipality The Governm called for a report on this petition as per letter No L 8218/Ml 9-36-1 dated 15th May 1937 On this the Deputy Commissioner reported on 18th May 1937 with this office letter No A3 C 3885 that the allegations in

the petition were true and that the president was reluctant to do any thing or to take up any measures involving unpopularity, heavy arrears had increased year by year and that an official President may be appointed for a period of three years The Government thereupon in their order No 8383/M1 9-36 dated 21st May 1937 directed that the Assistant Commissioner in charge of the District Treasury at Chikmagalur be appointed as Ex-officio President of the Chikmagalur Town Municipality On receipt of this order there was a chorus protest even from those who had requested appointment of an official president and 16 elected Municipal councillors resigned in a body Government issued a Press Communique No 2038-98 V O dated 29th May 1937 and in the press communique it is stated inter alia that the Government hoped that they will be in a position to restore the privilege to the Municipal council as soon as circumstances permit There was another re-election and many of those who had resigned stood up for election and were elected Since then there has been great dis-satisfaction and both Municipal Councillors and the rate-payers have not been co-operating as much as one would like I am further of opinion that the Municipal Councillors with a Non-Official President, will be more vigilent and responsible and would exercise their civic functions conscientiously if the privilege of electing their own president is restored to them I recommend therefore that the resolution of the Municipal Council may be favourably considered by Government
